

National Guard Professional Education Center (PEC)
Centrally Managed Student Travel
FY 2023

Travel funds for ARNG Technicians, Title 5 Civilians, and AGR students attending courses at PEC that are referenced in the FY23 Centrally Funded Course List will be centrally managed by the PEC Resource Management Office utilizing the cross organizational function in the Defense Travel System (DTS). Line of Accounting will be emailed to students having reserved seats in ATRRS thirty days prior to class start date.

NGPEC School Code 922 courses for which travel funds are centrally managed by PEC are attached. Centrally funding of courses is subject to availability of funds and can be modified at any time based on the availability of funding. If the course list is modified, PEC will make every effort to notify the States at least 60 days prior to course start dates.

Following information applies to students training at PEC:

- Government billets are furnished at no cost. Provide a copy of travel authorization to PEC Registration upon check in.
- Students are entitled to full per diem as government meals are not available. Per diem is \$54.00 a day plus \$5.00 incidentals (\$59.00).
- Transportation is provided. Rental cars not authorized.

Students may create their authorization in DTS any time after securing a reservation in ATRRS. Students should type the ATRRS course number and "PEC funded" in DTS Trip Description block. When State DTS approvers see this comment, they should not approve the authorization until the PEC line of accounting has been sent and selected. Students and State POC's will receive email notification of LOA Cross Org prior to class start date. Questions on DTS orders should be addressed to your local DTA.

Questions concerning centrally funded student travel may be directed to the PEC Resource Management Office personnel listed below. DSN prefix is 962.

Primary contact:

Mr. Jason Lore, (501)-212-6661, jason.r.lore.civ@army.mil

Alternate contact:

Ms. Maryah Osborn, (501)-212-4648, maryah.g.osborn.civ@army.mil
